## Quintessence™ – Medical Record Insights

- Analyzes, dissects, and decodes medical records with precision
- Auto-arranges records in chronological order, allowing you to navigate medical records via search or by using hyperlinks bookmarked by date, provider, disease, medication, and associated clinical information
- Reliable service with a fast turnaround time

## Court Reporting

- National coverage
- Online scheduling and calendar
- Transcript and exhibit repository
- Interpreters and videographers
- Complimentary conference rooms

## Complex Canvass™ – Medical Canvassing

- Find additional locations and gaps in treatment to help uncover pre-existing conditions, unreported medical treatments, or even a history of suspicious claims
- Nationwide coverage across hospitals, clinics, urgent care centers, pharmacies, and more
- Fast turnaround times
- HIPAA-compliant
- Seamless integration with our record retrieval process

## Social Media Canvassing

- Find critical pre-loss and post-loss details in all kinds of digital and social media activity
- Uncover vital details you'd never find in public records or incident reports
- Applying specialized techniques and technology, our team systematically reviews an individual's digital presence, social connections, and online behavior, revealing important discrepancies or patterns of behavior
